Founded in Victoria in 1972, Van Isle Water Services Ltd is a locally owned and operated company. We supply diverse but related industries including Aquaculture, Commercial and Residential Swimming Pool/Spa, Irrigation, Pond/Fountain & Water Garden, Lake Water Management, Water Filtration & Purification and Water Well Pumping.

We serve Western Canada from our 20,000 square foot Victoria location where we carry one of Canada's largest inventories of water systems products and related accessories.

Our priority is to maintain our staff at the highest possible level of product knowledge, with the goal of providing excellent quality of service to our customers.

We are located at:461 Dupplin RoadVictoria BC V8Z 1B8

Our hours of operation are:Monday-Friday 7:30am-5:00pmSaturday 8:00am-12 noon
