

# Pool & Spa

Perfect Balance  
Between Nature and Technology

## Pool First Aid

### Pool First Aid...the problem solver!

Available in:  
2L/67.6oz

**Recommended  
Dosage**  
One capful per/2000  
gallons

Pool First Aid combines powerful concentrated natural enzymes with a fast acting polymer clarifier for quick and easy clean-up of:

- Dead algae
  - Pollen
- Oil leaks & hydraulic spills
  - Antifreeze residue
  - Vandalism
- High organic waste loads

Pool First Aid will quickly free clogged filters of oils and organic build-up. No other product will remove dead algae more quickly and efficiently...in most cases no back washing is required.

*Clear, Perfect Water...  
Unconditionally Guaranteed!*

## PHOSfree

### Product Benefits:

Available in:  
2L/67.6oz  
3L/101.5oz

**Recommended  
Dosage**  
Requires phosphate  
test

PHOSfree reduces phosphate levels in your pool. Phosphates are the limiting nutrient for algae growth. Reduce phosphates to near zero and enjoy an algae free pool! Natural Chemistry unconditionally guarantees it.

- no phosphate build-up
- no algae-guaranteed!\*
- less filter maintenance
- less vacuuming and cleaning
  - reduced pool maintenance
- enhances any sanitizer program

*Clear, Perfect Algae-Free Water...  
Unconditionally Guaranteed!*

\*Normal sanitizer levels will prevent algae growth. Maintain dealer recommended sanitizer levels in accord with your sanitizing system.
