Tank Alert® **AB**

SJE-Rhombus, an alarm innovator, offers a stylish NEMA 1 indoor alarm. The **Tank Alert® AB** has an **AB**undance of features at an **AB**solutely affordable price.

What's this alarm all **AB**out? The audible alarm sounds when a potentially threatening liquid level condition occurs. Using the **SILENCE** feature mutes the horn, while the **RED** alarm indicator stays on. Once the condition is remedied, the alarm will **automatically reset**. If primary power fails, the **Tank Alert® AB** continues to work due to the 9 VDC **battery backup** feature.

The UL Listed **Tank Alert® AB** alarm **AB**ides by our three-year limited warranty. Once you try the **Tank Alert® AB**, you will **AB**andon any other alarm. And **AB**ove all, it costs **LESS** than the Tank Alert® I, giving you more for your money!
